

## Family and Senior Portraits

At Dempsey Williams Photography, we believe that the best backdrop for a family or senior portrait is a natural one. Each session is done at an outdoor location of your choice: your backyard, a park or any location in the Colorado Springs area where you and your family feel relaxed and comfortable. A site can be suggested if you don't have a preference. The best time to schedule the session is early morning or late afternoon when the light is at its best.

### Pricing

There is a \$50 session fee for up 90 minutes of onsite shooting at a location of your choosing within the Colorado Springs area. More than 15 miles beyond Colorado Springs will require an additional travel expense. There is no limit on the number of selected poses, people or pets included in each shot.

*Payment due at time of session (cash or check made out to Dempsey Williams Photography accepted)*

### Prints

All prints can be ordered from our website ([www.dempseywilliams.com](http://www.dempseywilliams.com)) with standard pricing being:

Size	Cost
Wallets (8)	\$6
5x7	\$5
8x10	\$10
12x18	\$22

Other sizes and unique products are also available on the website. There is no minimum size order and no need for packages. Buy just the prints you want in the sizes you want. Custom mounting and finishing options are available per print. You can also choose to purchase a high-resolution, royalty-free (for personal use) digital copy of any of the photos for \$5 each. These can be downloaded directly from the website.

### Process

For the photo session, coordinating outfits work well in family portraits, but you do not need to match exactly. Families look great in solid color shirts and jeans or khaki style pants. Avoid clothing with large logos or busy graphics as these will draw attention to your clothing and we want the focus to be on you. However don't let this limit you in showing your own unique style. Seniors may want to bring a change of wardrobe for more variety in their portraits.

After the session, the best shots will be uploaded to our website and you'll be notified by email that the proofs are ready for viewing. You can order the print quantities, sizes and finishing options you want for each photo right from the website and the order will be professionally printed and shipped straight to your door (a shipping charge will be added by the printing company).

We offer a 100% money-back guarantee and a standard two-week delivery. If you are not completely satisfied with the quality of your photos you will be given a complete refund with no questions asked. Our goal is to give you the best experience possible and that is one of the reasons we can say it is **Photos With a Personal Touch**.
